Update on the towel drive...

The towel drive has been very successful so far. As of May 3rd, the first shipment of towels and flip flops is on its way to Ukraine!

The hood for the kitchen which was donated by Poulsbo Athletic Club has also been dismantled, crated and shipped. In addition, the crate is packed with fire extinguishers, staples such as rice and beans, two large and much-needed first-aid kits, and computer paper. Ten computers were sent to Ukraine last month for the orphanage's brand new classroom and computer lab.

We are still in need of beach towels, hand towels and swim trunks in boys' and young men's sizes. Thank you so much for your generosity and support!

Remove this portion and mail with your next monthly contribution.
