Community Centers

Making a difference in a child's life . . .

Dear Sponsor,

Thank you for your kind generosity and willingness to help House of Hope care for neglected children and orphans in Ukraine. We are excited to see all that God is going to do for these children through your gifts. Your sponsorship will help provide the children with housing, nutritional meals, clothing, educational opportunities, medical care, and spiritual development.

The current cost to provide these basic needs for each child is approximately \$50 per month. When you sign up as a sponsor, you can decide what you are able to give. If you sign up as a Co-Sponsor at the \$25 per month level, you will share the sponsorship of your child with another House of Hope donor. Please make your checks payable to **House of Hope** and include your child's name and ID# on the memo portion of the check. Each month you will receive a short newsletter along with a return envelope for your next month's donation.

Sponsoring a child brings great rewards to both the child and sponsor. **You are making a difference in a child's life!** You and your family will be a dream come true to your child- a lifeline they might otherwise never know without your care. Your child anxiously waits to correspond with you. Your involvement in his or her life brings stability and hope. If your situation should change, and something prevents you from fulfilling your sponsorship, please let us know as soon as possible so that we can assign another sponsor for the child.

Bless you for caring and praying for these precious children. You may never truly realize how much we appreciate your support, as will your sponsored child. If you are interested in additional opportunities to serve the needs of children in Ukraine, please let us know.
