

Making a difference in a child's life . . .

Heat is coming:

As we mentioned in last month's newsletter, purchasing the new boiler and the equipment for its installation was top priority so the children could have sufficient heat. The funds were sent and the boiler arrived, pictured below. This is the news from Lilya in Ukraine:

"We still do not have the pump but we already ordered it. It will come to us in a week. Thank you very much for that. In a few weeks the children will have heating in their rooms. Now we only have heating in the living room and in the dining room, all other rooms are very cold. The children walk and play in their rooms in jackets."

Be Thankful!

May God bless you for the support you made. We all praise God for you!

Lilya

NOVEMBER

'Tis the Season:

We will be sending funds mid December for Christmas gifts for all the children. Their celebration is in early January. If you would like to help with additional funds to make this possible, just indicate on the tear-off portion below.

We are so thankful for your continued support and faithful giving! It has brought hope to these children and has shown them that someone cares.

p.s. We just heard the news that Lilya is expecting her first child! Please keep her in your prayers for a safe delivery and a healthy baby.

Remove this portion and mail with your next monthly contribution.
