By Richard Yager, President of House of Hope... .
"And God said it was good". Our trip to Ukraine was very productive. Our five year struggle to install a professional kitchen at the orphanage is well on it's way!!!! What a difference it is already making. Nona, one of the cooks, said "I feel like a queen". Four weeks is a long time to be away from home so it was nice to be treated like family during our stay. To be loved by such a large family can be overwhelming. Training on how to use the equipment and expansion of their menu will be ongoing and a number of the children are eager to learn. I could talk about our trip for days. On behalf of the Board, I again thank all those who helped make this happen. God Bless you.
