Making a difference in a child's life . . .

October 2012

Introducing our Admin.

are in Ukraine.

Lilya

First, I would like to thank you for investing in our outreach to the Awakening Orphanage. As I mentioned before, your provisions of time, money, and prayer, provide a life-line to our children.

Planning is now underway to bring both Pastor Leonid and his daughter, Lilya, to this country. Although the primary purpose of their visit is to raise support through speaking engagements, they also plan to visit with Leonid's ailing father living in the Seattle area. Due to challenges in securing a Visa for Lilya, their flight schedule and itinerary is yet to be established. We are hopeful

they will arrive sometime this month and stay approximately four weeks. This will be Lilya's first visit to the United States. She has been stubbornly resistant to our pleas to accompany her father on such a trip. Lilya is very shy and unassuming and extremely uncomfortable with any praise or sacrifice directed her way. She once explained to me that she didn't want the praise that was rightfully God's. It is my hope that many of you get the chance to meet them both. We will do our best to make their schedule known once it's established. I ask for your prayers of travel mercies on their behalf.

Remove this portion and mail with your next monthly contribution.
