Government protest in downtown Kiev, Ukraine

As many of you know, Ukraine has been in a period of political unrest for some time now. We are blessed to say that our children are safe. However, none of us know what the future holds. Here are a few areas to get information from so that you know where specific prayer is needed:

Also, we encourage you to follow the rate of exchange. Currently, 1 Ukrainian Hryvnia equals .086 U.S. Dollar. Just yesterday we received an email from the orphanage with a few examples of the increase in prices:

Gas: was 10 gr/liter now 15 gr/liter

Onions: were 3 gr/kg now 15 gr/kg

Carrots: were 3 gr/kg now 9.5 gr/kg

UNITED PRAYER: MAY 9th for Awakening Orphanage. Please stop and pray at 12:00pm on that day.
