## At the Orphanage

These children are looking for sponsors. Keep them in your prayers along with the rest of those at the Orphanage. The strongest opposition of the fighting between Russia and Ukraine is only 25 miles away in Donetsk. Three bridges were blown up in the past few days and the airport is shut down. The water supply has been bombed and they are rationed water only 2 hours per day. Refugees are fleeing to Krasnoarmiys'k and living in the empty school buildings during summer break. The children are frightened by the overhead planes but are trusting God's protection.
