## Will You Sponsor Me?

Meet 3 1/2 year old Anna. She arrived at the Orphanage with her sister, Julya, who is 8 years old. Their mother dropped them off at the hospital and left. When contacted by the staff, she told them she was busy and would return for them soon. The girls were at the hospital for three months and she never came for a visit. The police were notified and the documents were prepared for depriving her of her parental rights. Their father is currently in prison but is due to be released in a few months. It is unknown at this time if their father is fit to care for them - his parental rights have not yet been denied.

## Unstable Conditions

The present situation at the Orphanage is getting more difficult each day due to the intensity of the uprising. Their water supply has been completely shut off. They must travel 2 miles to Pastor Leonid's home to draw water from a hand dug well. Please continue to pray for their safety and for the political situation to be resolved.
