*Making a difference in a child's life . . .*

## A Well is Provided . . .

**This month we are featuring a letter, *verbatim*, from the Ukraine sent by Pastor Leonid who is the head of the Awakening Orphanage:**

**Hello my dear brother Behzad, Richard, Doug, Randy, your wives and thous people who love our Lord Jesus Christ:**

First of all accept our sincere gratitude for your support that you send to our children. I want to say special thanks to all of you who blessed us with money for water. Today we are finishing to do the well, we ordered the pump (name of the pump grundforce) in Germany soon they will bring it to us and we will be with water. In Donetsk we are having war and because of that almost 4 months in our city there is no water. We are thankful to you and to God that all this problems with water are behind us. This politikal situation couased a lot of trubles, our gas prises are not stable, they getting very high. Our region is well-known because of it's small mines there are more then 60 of them but due to the war most of them are closed. Now as fare as I know 9 of them working. One ton of the coal now costs 1800grn, (\$138.00) our use during a winter time 10 tons. This year God blessed us with harvest. We have 8 tons of potato, more then 1500 pots we have with tomatoes and pepper, all other things that we might need we believe God will provide. Our children started to go to school this months, we thought that they will go to school in October because of the war. God blessed two our girls Yulya and Anna Solovjova they were adopted by a very nice couple. In our church we have 2 days fast and prayer for our city and for Ukraine, we ask God to keep us safe from bombs, because in Donetsk and 40 km from us there is real war with Russia. A lot of solgers and civil people die every day. Many churches were taken away and pastors were beaten up, in Slavjansk even pastor was killed. In spite of that, we continue to pray, to build the church and to hope that soon the war will come to it's end. We see how supernaturally God provides for us. I believe that God will help us to finish building the church this year and His glory will be shown to people through us. Together with children we pray for you too. We ask his peace to be in your families and his success to be at your works and every-where you go. Children ask me all the time when Behzad and Richard will come to us?

I tell them that they need to ask God to stop the war and then Behzad and Richard will come to you. So now we are sure that the war will be finished, because children want to see you. We all love you and I appreciate the fact that together we can serve our Lord Jesus Christ. May God bless you all!

**Pastor Leonid**
