Making a difference in a child's life . . .

Well Done . . .

The pump arrived from Germany just in time
and the well is complete. All the children
are so thankful to have water once again!

So Much to be
Thankful For!

We will be sending funds mid
December for Christmas gifts for
all the children. Their celebration
is in early January. If you would
like to send additional funds to
make this possible, just indicate
on the tear-off portion below. We
are so thankful for your continued
support of the Awakening
Orphanage. Your faithful giving
has meant so much! It has
brought hope and shown these
children that someone cares.

An Update on Conditions in Ukraine: Bombs in Donetsk destroyed a local supermarket and due to lack of storage, the owner notified Pastor Leonid and donated everything that he was able to save (different kinds of sweets). Pastor was in town during the bombing and said that while he was driving the ground was shaking and windows were blown out of buildings. He was praying to arrive back at the Orphanage safely which thankfully he did. Please continue to keep them in your prayers.
