

## LETTER FROM TANYA

This is Tanya writing to you. I'm a fosterling of Pastor Leonid. I live in the orphanage almost a year. I like to live here. I study at the specialized school in the second course. My emphasis is called *Enrichment of Coal* (testing coal for different uses). I like studying and I dream to finish studying excellent with diploma. I ask you to please pray for me so that my dream about studying would come true. I thank you that you don't forget about us, you always support us financially and spiritually. Not long ago, we planted potatoes with God's help and we hope to have a good harvest. I like knitting and beading. I like to sing and I sing on the Youth Worship Team at our church. I also like to recite poems. God blesses me a lot and I don't need anything. I'm very thankful to Jesus that he found me in this sinful world and He saved my soul. In the future, I want to serve our Lord and glorify Him with all I have. I want to get to know you and to see you. Thank you one more time for everything.
