Making a difference in a child's life . . .

Heat and Hot Water

October

With the tremendous rise in gas prices, the need for a coal burning boiler to heat the orphanage during the brutal winter temperatures has become top priority. After much research, Pastor Leonid notified us of the cost to purchase the boiler, pump, and hot water heater. Adding the cost of installation, he estimated a total of \$3600.00 to complete this project.

We have committed to purchase all the necessary equipment to begin the work immediately before the weather makes the installation more difficult. If you would like to make a contribution to help with this project, just mark the box below.

October Birthdays

- 15th Leonid Katjolkin 9 yrs.
- 17th Yulya Lysogorskaya 16 yrs.
- 27th Artjom Scherbina 14 yrs.
