Making a difference in a child's life . . .

Grateful Girls . . .

Dear sponsor,

I don't know your name but I'm grateful to God that I have you. It's our good tradition to pray about you, we always do that. We ask God to give you strength in your life and in serving His people.

In Ukraine we still have THE WAR, in spite of the fact that it hasn't reached us, we continue to pray for it's finishing. It is God's mercy and miracle that we don't have it in our city. We hope that this year will bring us blessings and we want to be close to God to know Him more and to study His Word.

Here we have such diverse weather. Few days we had snow and it was very, very, cold, then there was rain and the snow disappeared. Now it's like a cold autumn, because of that probably we have big flu epidemic in our city. Several people died from it. We all also had this flu but thank God He heard our prayers and healed us, we haven't had bad consequences of this flu. We all go to church, we listen to our preachers, we love our worship team and our Pastor Leonid, who with open heart serves the Lord and takes care of us everyday. We always pray for you our dear sponsors. May God keeps you and your family and may He fulfill all desires of your heart.

Hello my dear sponsor Sarah,

Tanya

Thank you that you are taking care of me all these years while I'm here. I wish that everything will be good with you and your family. How is your baby? I'm doing good as usually. The war seems to calm down, praise God! It didn't destroy our city. Sarah thank you very much for the Christmas gifts all the sponsors gave to all of us.

Happy New Year,
Aljona

P.S. Lilya, Pastor Leonid's daughter and our faithful translator who works diligently with all the children, is having a child of her own in April, a girl. We would like to bless her with some baby items. If you would like to contribute, mark the box below. We will purchase the items and send them soon to hopefully arrive on time.
