

*Making a difference in
a child's life . . .*

This is a picture of one of the three boys rooms that was recently remodeled as mold had demolished the floors and some parts of the walls.

Letter from Roma:

Dear Sponsors,
First of all I want to thank you that you support me and all of us. Because of you we have a lot of blessings that without your support wouldn't be possible for us.

I'm 20 years old and I found a job. I work at the coal mine undergrad as an engine driver. Sometimes it's difficult job but I ask God for his help before I go to work and He keeps and protects me from evil. My hobby is soccer, as I already told you but now it goes on the second row in my life, because I have dedicated my life to Christ through water baptism. Now I'm a member of our church and I already serve in the church. I show songs on the screen while worship goes on. I trust the Lord and I know He will bless me.

May God bless you and your family, may He gives you strong health, happiness and success in everything you do. I wish you to live life without problems. Thank you for everything you do to us.
