Making a difference in a child's life . . .

# Lilya's Baby Arrives - RINA

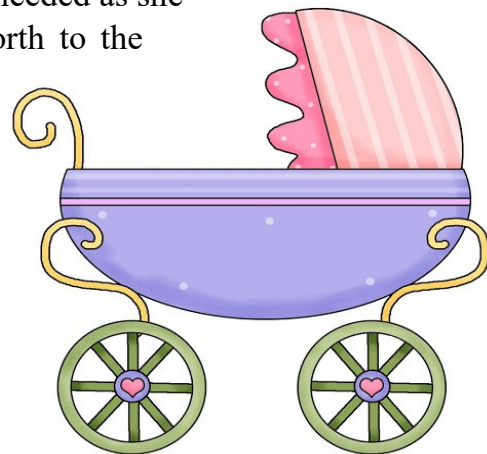

For those of you who are new to supporting House of Hope, Lilya is Pastor Leonid's daughter who not only is our translator but is the one who works tirelessly with the children at the Orphanage. She works alongside her father ministering love, tending to the needs of the kids, patiently teaching them character qualities, and offering them hope. She gently shows them Christ's love by being His hands and feet extended.

She gave birth to a baby girl, Rina, on April 18th. Many of you sent funds to help provide baby clothing, diapers, blankets, etc. She arrived home with the baby from the hospital to find that our packages had arrived - perfect timing. We also had enough funds to provide a baby carriage which they greatly needed as she travels back and forth to the Orphanage by bus.

*Lilya and her husband Serjozha feel very blessed and send their many thanks for your kindness, prayers, and beautiful baby gifts.*
