The Refrigerator Arrives!

I write to tell you that we received the refrigerator last week, just before our Thanksgiving Day which we had on Sunday. Thank you very much. We thank all sponsors of House of Hope. It looks so beautiful! We thought it would never come but it is here. We praise the Lord for all of you who took part in getting the refrigerator to the orphanage. It's really amazing that it came just before our Thanksgiving Day!

In the church we made a tree and on it we decided to write for what we thank God this year. All our children wrote we are thankful for our sponsors and refrigerator. Nona (the cook) says that she feels like a queen with this new item for her kitchen. We appreciate your care. May God bless you

Thank you from all of us, Lilya
