

Making a difference in a child's life . . .

*So Much to be
Thankful For*

A Child's letter:

Hello dear sponsors,

My name is Petya. I go to the 8th grade. I have good marks at school. I'm very fond of soccer and table tennis. Our summer holiday was excellent. We were at the sea. There we swam and we played many different games. I learned how to hunt snakes and I found a lot of new friends.

I want to thank you for the parcel you sent to me, for the huge refrigerator, and for your care about all of us.

Thank you for your spiritual and financial support. You told that you pray for me, I really appreciate that. We praise God that in our city there is no military action; God protects us. We also pray about you, your church, about America, about your health and prosperity. May God bless abundantly and give you strength. I wish you good luck in everything.

I am 14 now. On January 16th, I'll turn 15 years old. I'm very glad that this Autumn, Pastor Leonid bought me new sneakers and a new jacket. I was blessed by that.

Petya Mihalov

*Wishing you a
Wonderful*
