

Making a difference in a child's life . . .

A Letter from Zhenya:

Hello My Dear Sponsors,

I'm Zhenya Koroljov and I'm already 17 years old. I want to thank you for all your help that you are doing for us. Thank you very much for our new refrigerator. Thank you for your prayers.

I want to tell you how I spent my summer. We all were at the Azov sea, it was an unforgettable time. We had a lot of fun. I moved to the second year of my studying and now I will go through practice to be a professional welder.

But the most important thing that happened to me this year is that I accepted Jesus Christ in my heart and made a covenant with God through baptism. Now I understand the purpose of my life. Life without God in a heart is like an aircraft without wings. The most important thing in my life is not to lose the relationship with God and trust in Him and God will provide the rest.

Thank you very much for everything you did and you do for us. I'll continue to pray for you. I wish you strong health, success in your work, and well-being to your family.

We would like to wish all of you a wonderful Christmas filled with love, laughter, good times, and treasured memories. May the spirit of Christmas be renewed in your hearts. A great big thanks to all of you who so graciously sent additional funds for this year's Christmas celebration for the children. They will be over-joyed by your kindness.
