To Whom it may Concern,

Have you ever just felt like you needed to be uplifted, restored, or given a new purpose? For years now I've just been run-down, broken, and tired. I want to be capable of doing more. My desire is to tap into my capacity to serve. I want God to use me. Not only could I let more children into my heart, but also use my talents to serve those outside my walls. I could help teach orphans life skills they could use to better themselves. With my help, children would have opportunities and also the hungry in my community could be fed. I want to do more. I want to be more. I know I am so close to discovering my dream. Can you reach out and help me?

Very Truly yours,

The Kitchen of Awakening Orphanage (Aka) The Soup Kitchen
