THE KITCHEN!!

The beginning of the kitchen has begun!!

After countless hours of preparing for shipping with Richard & Behzad working tirelessly, Praise be to God our Father for His provisions and faithfulness to see this through.

It is so exciting to watch it happen from this end! There was approximately \$1000.00 in food shipped with this kitchen, professional stove, deep fat fryer and fridge and all the necessary shelving and tables and chopping block, dishes, pans, utensils - you name it, it was packed full and even 5 computers and monitors - 6 handmade crates stuffed and sealed, on the ship and it is on its way to Ukraine!

Thanks also to **Scott and Bev Puhn**, one of our faithful sponsors who loaned us their 1-ton pick-up to pull the trailer carrying the goods to their place of shipment. Praise His name again and again! Thank you to all the sponsors who helped and donated to this incredible opportunity for our orphans!

Funds are still needed for the initial startup/remodel once the kitchen arrives. Please continue to help **Finish the Kitchen**. We appreciate you so very much.

Please continue to pray for the shipment until it arrives safely at the Awakening Orphanage .

Remove this portion and mail with your next monthly contribution.
