**"It is not the physical pain that endangers orphans the most. It is the mental pain caused by stress from years and years of being neglected, pushed aside, disregarded, unloved, and made to feel undeserving, and in almost all cases, made to feel like a possession rather than an equal human being. Even more it is the lack of unconditional love, the right to be accepted, as a child and to be loved, as a child, no matter what you do is the most wounding"**  
-- Roger Dean Kiser, from *Orphan - A true Story of Abandonment, Abuse and Redemption.*

**"No man is so poor as to have nothing worth giving. Give what you have. To someone it may be better than you dare to think." - Henry Wadsworth Longfellow**

**"But when you give a banquet, invite the poor, the crippled, the lame, the blind." Luke 14:13**
