**OUR KIDS
GO
CAMPING!**

Hello Sponsors,

I'm sending pictures from the camp in Iskra where all our children were for a whole week. It was an amazing time for the kids. They played games, had Christian lessons, lived in tents, and swam in the water. They wait for the tent camp for a whole year. Papa also took all our children to the Azov Sea where he found abandoned buildings. These buildings don't have any facilities but the waterfront is close. He asked permission from the owners to stay there. Because of the war, many people decide not to go to this part of the Sea. A lot of marauders appear who destroy the buildings so the owners are happy that we kept one of the buildings for 2 weeks. We cleaned it, our boys repaired the benches which were broken and fixed many other things. For them it's fun to do the job and it is a good testimony for the owners of the buildings.

Thanks to all the sponsors for the opportunity for our children to have a blessed summer, as you know that without your support it wouldn't be possible for us to manage these trips for the kids. May God bless you and your families and may His blessings live in your houses.
