

Making a difference in a child's life . . .

DECEMBER

The Gift of Thankfulness!

Dear brother Behzad,

This is Nona, the cook, at the orphanage writing to you. With grateful thanks, I received the gift of 50 dollars. I want to give testimony that God made through the hands of the sponsors.

I desperately needed a winter jacket but I didn't have the finances, so I decided to trust our Lord. He has never failed me. This time He decided to use your hands for my blessing. This is a miracle that God made for me. I appreciate the gift. May God render to you and all the sponsors all you do to us even more than you expect May His blessings be in your families, business, and life.

Thank you very much,
Nona

Wishing you and your loved ones a season of love, joy, and peace!
