Making a difference  
in a child's life . . .

August

Steppin' Up . . .

With the trip to Ukraine just around the corner, we asked what we could bring that would be a blessing to the children and Lilya told us that they could really use sneakers. So with her help, we were able to obtain all their sizes. Behzad and Richard will arrive just before school begins. How exciting for each child to receive a brand new pair of socks and shoes just in time for the school year!

Shoe Kick-Off
